CleverLink CONNECT 700 IN 70

Helping small business succeed online!

You are invited to a very special Launch: The CleverLink Connect 700 in 70 training program.

The Launch will showcase this **INNOVATIVE** e-Business training program which aims to assist 700 small businesses through the delivery of 70 courses across ACT and NSW.

At the event we celebrate the arrival of our training program to **CANBERRA**, where we will deliver FREE, TAILORED e-Business training to small and home based businesses across the region.

We hope you can join the other key stakeholders and small businesses managers who will benefit from this program.

We look forward to seeing you at the Launch!

Camtu Pham (MCom., B. Com. Sci)
Project Manager, E-Business Consultant
